HUBBARDSTOWN, W. VA.

Our little town is now progressing nicely. The Coalburg Domestic Coal Company has resumed business and they are loading cars daily and everybody has taken a more optimistic view.

Our school which is under the leadership of J. C. Strother has been one of the most successful terms ever conducted at this place and we regret very much to see it close.

Fred Campbell of Ironton, O., was here this week on business and was liberally patronized by our merchant, Edw. Bellomy.

W. R. Strother of Catlettsburg, Ky., was in town transacting business as usual.

Fred Crabtree, deputy sheriff, was in town summoning an extra set of petit-jurymen for the coming session of circuit court.

Our present term of court at Wayne seems to be largely attended as some of our best citizens from this part who were on the petit jury after the town had been canvassed for quarters for the night by two sheriffs, failed to find any place they could get to remain over night and were compelled to remain in the lobby of a garage which is now occupied as a court house and these jurymen were being guarded by a sheriff.

THREE FOOLS.

BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors. Ask your neighbor.

Joseph Payne, traveling salesman, Lock Ave., Louisa, says: "I am an old user of Doan's Kidney Pills and find they do just as they are represented to do. I use Doan's now and then when my kidneys get out of order or my back gets to hurting and they always cure me up in good shape. I have, at times, been down pretty bad with my back; this broke my rest at night and next morning I arose feeling more tired than before going to bed. I always resort to Doan's Kidney Pills when I feel any of these symptoms and they soon fix me up all right. I haven't been bothered with my kidneys in quite a long time, as I give Doan's Kidney Pills the credit for having cured me."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Payne had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

IN MEMORY

MORGAN'S CREEK.

Death visited the home of Mr. J. B. Sparks and took from him his beloved wife, Sarah.

Relentless death among us comes. And bitter grief imparts. It takes the loved one from our home But never from our hearts.

Oh, dearest one, we miss thy voice, No more we see thy face, For thou hast found a home above, Before the throne of grace.

We'll meet in heaven some sweet day, forever to remain.

Where we'll join in joy and love and never part again.

In life we loved thee dearly, In death we do the same, Thy memory is as dear today As in the hour thy friend away.

A FRIEND.

It will be very surprising if the perfectly delicious flavor of Brednut doesn't please your husband and your children.

For "new-idea" Women

A "smart" food. It adds flavor and subtracts expense 3 times a day.

IMPROVEMENTS and new ideas constantly come along. Certain women—natural leaders—are always quick to adopt such betterments.

Today you may be among the first in your neighborhood to try a new food—a new spread for bread. Brednut is its name. It has a delicious flavor and is as wholesome a food as you can imagine.

It's made from pasteurized milk and rich tropical nuts

In far off tropical islands the prodigal Nature grows a luscious nut with pure white meat. These nut meats are brought to America. Here their very cream is churned with pasteurized milk—under careful supervision. The result is Brednut—the new bread spread. Serve it three times a day.

White, you know, is the color of purity. It is also the color of Brednut—made from rich nut meats and pasteurized milk. So you can actually see by its whiteness how pure your Brednut is. To color it to a golden yellow with the wholesome vegetable material given by your grocer is quick and easy.

Delightful with Brednut

This olive, nut and celery sandwich

DYED CAT TO MATCH DRAPERIES IN HOME

New York, Feb. 7.—Miss Margaret Owen, 27 years old, a singer, has her freedom because she promised Magistrate Hatting that she will never again dye her cat to harmonize with her house draperies or the vivid clothing she wears.

Miss Owens was haled before the

Magistrate when agents of the Society for the Prevention of Cruelty to Animals testified that she had dyed a valuable pet feline blue to match draperies in her home. The animal died, witnesses testified.

"If I consent to be lenient," said Magistrate Hatting, "I want you to go back to Florida and stop dyeing cats." She promised.

MURDERED MOVIE DIRECTOR HAD DAUGHTER

The murder of William Desmond Taylor, director at Famous Players-Lasky movie studios, at his home in Hollywood, Calif., brought to light a hidden chapter in his life. He had been married in 1901 and was the father of a 19-year-old daughter who now lives with her divorced mother in New York. The shooting of Taylor has brought many prominent movie stars into the limelight. Pictures are of Taylor, the wife who divorced him and who is now Mrs. E. L. Robins, and his daughter. Lower picture shows the room in Taylor's Los Angeles home where he was shot. Arrow indicates a desk from which letters were stolen, written by Mabel Normand, famous movie star.
